

## Common names

### Bajun

|                    |                                       |
|--------------------|---------------------------------------|
| Abiro              | <i>Maerua decumbens</i>               |
| Buruu              | <i>Erythrina saculeuxii</i>           |
| Kilua              | <i>Uvaria denhardtiana</i>            |
| Mbazanzi           | <i>Cassipourea euryoides</i>          |
| Mbembakoshi        | <i>Erythrina saculeuxii</i>           |
| Mchawanda          | <i>Markhamia zanzibarica</i>          |
| Mchundakula        | <i>Ximenia americana</i>              |
| Mkengewa           | <i>Acacia polyacantha</i>             |
| Mkurati            | <i>Manilkara sulcata</i>              |
| Mkwamba kerengende | <i>Elaeodendron schweinfurthianum</i> |
| Mlalozi            | <i>Combretum aculeatum</i>            |
| Mnanyadia          | <i>Ehretia bakeri</i>                 |
| Mpotowandovu mkuu  | <i>Ekebergia capensis</i>             |
| Mtengewa           | <i>Acacia senegal</i>                 |
| Mtetewe            | <i>Acacia nilotica</i>                |
| Mukorobasha        | <i>Grewia villosa</i>                 |
| Murukatwa          | <i>Uvaria denhardtiana</i>            |
| Mutu               | <i>Avicennia marina</i>               |
| Muyu               | <i>Adansonia digitata</i>             |
| Mvuma nyuki        | <i>Lawsonia inermis</i>               |
| Myae               | <i>Strychnos spinosa</i>              |
| Ukwaju             | <i>Tamarindus indica</i>              |
| Warendi            | <i>Manilkara mochisia</i>             |

### Boni

|             |                                    |
|-------------|------------------------------------|
| Abozi       | <i>Brachylaena huillensis</i>      |
| Abubeu      | <i>Bridelia cathartica</i>         |
| Atame       | <i>Cussonia zimmermannii</i>       |
| Avud        | <i>Brachylaena huillensis</i>      |
| Balambali   | <i>Thespesia danis</i>             |
| Bangoe      | <i>Ozoroa obovata</i>              |
| Baraidi     | <i>Euphorbia candelabrum</i>       |
| Chona       | <i>Lecaniodiscus fraxinifolius</i> |
| Daber       | <i>Landolphia kirkii</i>           |
| Darab       | <i>Sterculia africana</i>          |
| Gomojia     | <i>Lawsonia inermis</i>            |
| Gonyooriya  | <i>Phoenix reclinata</i>           |
| Halas       | <i>Uvaria denhardtiana</i>         |
| Halas       | <i>Uvaria lucida</i>               |
| Hobocho     | <i>Albizia anthelmintica</i>       |
| Hurub       | <i>Dobera glabra</i>               |
| Idamula     | <i>Rhus natalensis</i>             |
| Jah         | <i>Adansonia digitata</i>          |
| Kang        | <i>Cassia abbreviata</i>           |
| Kedula      | <i>Ozoroa obovata</i>              |
| Keruki      | <i>Ehretia bakeri</i>              |
| Kihere      | <i>Rauvolfia mombasiana</i>        |
| Kina        | <i>Erythrophleum suaveolens</i>    |
| Kionge      | <i>Cassia afrofistula</i>          |
| Komochi     | <i>Lawsonia inermis</i>            |
| Kone        | <i>Hyphaene compressa</i>          |
| Kornochi    | <i>Lawsonia inermis</i>            |
| Kuling      | <i>Balanites wilsoniana</i>        |
| Kuragi      | <i>Manilkara sulcata</i>           |
| Kurkoi      | <i>Gardenia ternifolia</i>         |
| Leh heli    | <i>Terminalia kilimandscharica</i> |
| Malamuti    | <i>Annona senegalensis</i>         |
| Mangales    | <i>Garcinia livingstonei</i>       |
| Mangula     | <i>Strychnos spinosa</i>           |
| Mangula     | <i>Strychnos madagascariensis</i>  |
| Mwachandovu | <i>Oncoba spinosa</i>              |

### Mbabare

|                |                                    |
|----------------|------------------------------------|
| Medi           | <i>Terminalia sambesiaca</i>       |
| Merfured       | <i>Hyphaene compressa</i>          |
| Milanje        | <i>Dombeya taylorii</i>            |
| Minarui        | <i>Dombeya taylorii</i>            |
| Mkalijote      | <i>Milicia excelsa</i>             |
| Mkalijote      | <i>Vitex ferruginea</i>            |
| Mkulangi       | <i>Vitex mombassae</i>             |
| Mlambale       | <i>Cassipourea euryoides</i>       |
| Mlamote        | <i>Thespesia danis</i>             |
| Mogalishat     | <i>Annona senegalensis</i>         |
| Mogalishat     | <i>Vitex ferruginea</i>            |
| Mpotscho ndovu | <i>Vitex mombassae</i>             |
| Mpotscho ndovu | <i>Ormocarpum kirkii</i>           |
| Mrongoleh      | <i>Ormocarpum trachycarpum</i>     |
| Msativu        | <i>Ekebergia capensis</i>          |
| Msingoni       | <i>Dichrostachys cinerea</i>       |
| Mugurure       | <i>Dichrostachys cinerea</i>       |
| Mukai          | <i>Combretum schumannii</i>        |
| Mulilago       | <i>Tamarindus indica</i>           |
| Mulimuli       | <i>Antidesma venosum</i>           |
| Ngogaje        | <i>Carissa spinarum</i>            |
| Nothake        | <i>Antidesma venosum</i>           |
| Ong            | <i>Capparis sepiaria</i>           |
| Qoone          | <i>Borassus aethiopum</i>          |
| Safara         | <i>Hyphaene compressa</i>          |
| Samachi        | <i>Moringa stenopetala</i>         |
| Sauini         | <i>Dalbergia melanoxylon</i>       |
| Shelola        | <i>Harrisonia abyssinica</i>       |
| Shelole        | <i>Kigelia africana</i>            |
| Sheshubla      | <i>Kigelia africana</i>            |
| Shishobli      | <i>Dialium orientale</i>           |
| Siricha        | <i>Dialium orientale</i>           |
| Tiella         | <i>Populus ilicifolia</i>          |
| Tomorr         | <i>Encephalartos hildebrandtii</i> |
| Tsina          | <i>Uvaria acuminata</i>            |
| Tuari          | <i>Scutia myrtina</i>              |
| Unglise        | <i>Newtonia erlangeri</i>          |
| Vugu           | <i>Garcinia livingstonei</i>       |
| Waharr         | <i>Erythrina saculeuxii</i>        |
| Yamed          | <i>Lannea schweinfurthii</i>       |

### Boran

|               |                               |
|---------------|-------------------------------|
| Abairtubata   | <i>Piliostigma thonningii</i> |
| Abratu        | <i>Cussonia holstii</i>       |
| Adama         | <i>Euphorbia candelabrum</i>  |
| Adesa         | <i>Rhus natalensis</i>        |
| Agarnyaab     | <i>Maerua decumbens</i>       |
| Akoku         | <i>Oncoba spinosa</i>         |
| Amares        | <i>Acacia brevispica</i>      |
| Ammess        | <i>Commiphora africana</i>    |
| Amo           | <i>Euphorbia tirucalli</i>    |
| Andarak       | <i>Lannea triphylla</i>       |
| Andaraka      | <i>Lannea schimperi</i>       |
| Anona         | <i>Trichilia emetica</i>      |
| Aru           | <i>Juniperus procera</i>      |
| Awagino       | <i>Flueggea virosa</i>        |
| Baabido (gum) | <i>Acacia senegal</i>         |
| Baddan        | <i>Balanites aegyptiaca</i>   |
| Baddan        | <i>Balanites rotundifolia</i> |
| Balanga       | <i>Delonix baccal</i>         |
| Bamba         | <i>Melia volkensii</i>        |
| Baresa        | <i>Terminalia brownii</i>     |
